Services working for oil company: _____

Disclaimer

- The Community Safety Officer must be notified a minimum of 24 hours prior to movement with an approved route.
- Travel is weather permitting. The R.M. of Kindersley may put restrictions on roads if the weather makes the roads susceptible to damage.
- Arrangements are to be made between 9:00 a.m. and 5:00 p.m., Monday to Friday. This includes any moves that need to be made on weekends.
- If a situation should occur afterhours that requires special permission for the use of certain roads, the Community Safety Officer will be the person notified.
- All services are to use the approved route only.
- It is the consultant’s responsibility to ensure all services have the necessary permits that they require, and that they are aware of the approved routes.
- All services must follow the rules and regulations for heavy haul trucking and oilfield drilling as set out by the R.M. of Kindersley. These rules and regulations can be found at <https://www.rmofkindersley.com/forms-regulations/> .

Notes
