

RM OF KINDERSLEY
HAYING POLICY

Conditions for the salvage of hay from a road allowance in the municipality:

- 1) Ratepayers must notify the municipality in writing by June 15th as to which municipal road allowances they wish to cut. Each ratepayer is only permitted to cut the road allowance adjacent to his/her own property unless written permission has been obtained from the adjacent owner. If the municipality is not notified by June 15th, the municipality will cut the ditches as it deems necessary.
- 2) The adjacent landowner or the lessee in the case of rented land has first option to salvage along municipal roads. Other persons must contact the adjacent landowner or lessee to salvage hay on or before July 15th each year.
- 3) After July 15th any person may cut hay and salvage hay without the permission of the adjacent landowner or lessee, provided the adjacent landowner or lessee has not begun salvage operation.
- 4) The right-of-way must be left in a neat appearance by the person salvaging the hay.
- 5) Bales of hay must be at least three (3) metres from the edge of the shoulder of the roadway.
- 6) All haying and removal must be completed by August 1st each year.
- 7) All bales must be removed from the municipal road allowances within ten (10) days of baling.
- 8) The council reserves the privilege and the right for its members, employees and/or agents to enter upon the said right-of-way for the maintenance and/or reconstruction of said roadway or for other such purposes as may be deemed necessary, and at no compensation or reimbursement to the party salvaging the hay therefrom.
- 9) The municipality assumes no liability for labourers, machinery or bales relating to the salvaging of hay operations.
